

BY REPRESENTATIVE ROBIDEAUX

1 AN ACT

2 To amend and reenact R.S. 47:1541(B) and to enact R.S. 47:1541(D) and 1601(A)(2)(e),  
3 relative to the Department of Revenue; to provide relative to the audit of taxpayer  
4 records by the department; to provide the purposes for which sampling audits may  
5 be utilized; to authorize the use of managed audits at the secretary's discretion under  
6 certain circumstances; to authorize agreements regarding managed audits; to provide  
7 for definitions; to provide for limitations; to authorize the discretionary waiver of  
8 interest; and to provide for related matters.

9 Be it enacted by the Legislature of Louisiana:

10           Section 1. R.S. 47:1541(B) is hereby amended and reenacted and R.S. 47:1541(D)  
11           and 1601(A)(2)(e) are hereby enacted to read as follows:

12 §1541. Secretary's duty to determine correct tax

13 \* \* \*

14 B. The taxpayer and the secretary or his designee may enter into a binding  
15 agreement to use a sampling procedure as a basis for projecting audit findings, which  
16 may result in either an underpayment or overpayment of tax. Sampling audit  
17 methods are appropriate if:

18                   (1) The taxpayer's records are so detailed, complex, or voluminous that an  
19                   audit of all detailed records would be unreasonable or impractical.

20                               (2) The taxpayer's records are inadequate or insufficient to the extent that  
21                               a competent audit of the period in question is not otherwise possible.

1                   (3) The cost to the taxpayer or the state for an audit of all detailed records  
2                   will be unreasonable in relation to the benefits derived, and sampling procedures are  
3                   expected to produce a reasonable result.

4   \*           \*           \*

5                   D.(1) The secretary may, in a written agreement, authorize a taxpayer to  
6                   conduct a managed audit pursuant to this Subsection. The agreement shall specify  
7                   the period to be audited and the procedure to be followed, and shall be signed by an  
8                   authorized representative of the secretary and the taxpayer.

9                   (2) For purposes of this Subsection, the term "managed audit" shall mean a  
10                  review and analysis of invoices, checks, accounting records, or other documents or  
11                  information to determine the correct amount of tax. A managed audit may be limited  
12                  to certain categories of liability under this Chapter, including tax on:

13                  (a) Sales of one or more types of taxable items.

14                  (b) Purchases of assets.

15                  (c) Purchases of expense items.

16                  (d) Purchases under a direct payment permit.

17                  (e) Any other category specified in an agreement authorized by this  
18                  Subsection.

19                  (3) The decision to authorize a managed audit rests solely with the secretary.  
20                  In determining whether to authorize a managed audit, the secretary may consider, in  
21                  addition to other facts the secretary may consider relevant, any of the following:

22                  (a) The taxpayer's history of tax compliance.

23                  (b) The amount of time and resources the taxpayer has available to dedicate  
24                  to the audit.

25                  (c) The extent and availability of the taxpayer's records.

26                  (d) The taxpayer's ability to pay any expected liability.

27                  (4) The secretary may examine records and perform reviews that he  
28                  determines are necessary before the audit is finalized to verify the results of the  
29                  audit. Unless the audit or information reviewed by the secretary discloses fraud or  
30                  willful evasion of the tax, the secretary may not assess a penalty and may waive all

or a part of the interest that would otherwise accrue on any amount identified to be due in a managed audit. This Paragraph does not apply to any amount collected by the taxpayer that was a tax or represented to be a tax, but that was not remitted to the state.

(5) The taxpayer is entitled to a refund of any tax overpayment disclosed by a managed audit under this Subsection and in accordance with R.S. 47:1621.
